Mid Night N Food (MNF)

Last Updated: November 9, 2025

1 Introduction

Mid Night N Food ("MNF", "we", "us", or "our") respects your privacy and is committed to protecting it through our compliance with this policy. This policy describes the types of information we may collect from you or that you may provide when you visit our website or use our mobile application (collectively, our "Platform") and our practices for collecting, using, maintaining, protecting, and disclosing that information.

2 Information We Collect

We collect several types of information from and about users of our Platform, including:

- **Personal Information:** Name, email address, phone number, and delivery address (e.g., hostel block and room number).
- **Transaction Information:** Details about orders you place, including items purchased, date and time of order, and amount charged.
- **Location Information:** Real-time geographic location to facilitate timely deliveries and show nearby open vendors.
- **Device Information:** Information about your mobile device and internet connection, including the device's unique device identifier, operating system, and mobile network information.

3 How We Use Your Information

We use information that we collect about you or that you provide to us, including any personal information:

- To present our Platform and its contents to you.
- To fulfill your orders and process payments.
- To communicate with you about your order status (e.g., via SMS or push notifications).
- To improve our Platform, products, and services.
- To detect and prevent fraud or abuse of our services.

4 Disclosure of Your Information

We may disclose aggregated information about our users without restriction. We may disclose personal information that we collect or you provide as described in this privacy policy:

- To our subsidiaries and affiliates.
- To vendors (restaurants/canteens) and delivery partners for the sole purpose of fulfilling your order.
- To comply with any court order, law, or legal process, including to respond to any government or regulatory request.

5 Data Security

We have implemented measures designed to secure your personal information from accidental loss and from unauthorized access, use, alteration, and disclosure. However, the transmission of information via the internet is not completely secure. Although we do our best to protect your personal information, we cannot guarantee the security of your personal information transmitted to our Platform.
